

U-PICK BLUEBERRY FARM

4400 Bouganvilla Dr, Mims, FL 32754

Field Trips

Ever After Farms warmly welcomes all local elementary schools to join us for the ultimate U-Pick experience.

What: Each student will have the opportunity to pick their own blueberries straight from the vine. We also offer a short PowerPoint presentation on blueberries and blueberry farming, as well as a fun tractor-pulled wagon ride around the farm with a chance to meet our friendly farm animals.

When: We are open for fieldtrips the entire month of April on Tuesdays, Wednesdays, and Thursdays.

Cost: Each child will need to bring \$8 which covers the cost of 1lb of blueberries to take home, and a visit to our petting zoo. Teachers are FREE during field trips.
